(1600 Amphitheatre Parkway, Mountain View, CA 94043, USA). The service includes the sending of your IP address and possibly other data required by Google for the service reCAPTCHA to Google. For this data, the deviating data protection regulations of Google apply. You can find more detailed information in the Google Privacy Center: <https://www.google.de/intl/de/privacy>

## **Using Google Analytics**

### **Type and purpose of the processing:**

This website uses Google Analytics, a web analytics service of Google LLC, 1600 Amphitheater Parkway, Mountain View, CA 94043 USA (hereinafter: 'Google'). Google Analytics uses so-called 'cookies', i.e. text files that are stored on your computer and allow an analysis of your use of the website. The information generated by the cookie about your use of this website is typically transmitted to a Google server in the U.S. and stored there. However, due to the activation of IP anonymisation on these websites, your IP address will be truncated beforehand by Google within the member states of the European Union or in other contracting states of the Agreement on the European Economic Area. Only in exceptional cases will the full IP address be sent to a Google server in the U.S. and truncated there. On behalf of the operator of this website, Google will use this information to evaluate your use of the website, summarise reports on website activities and provide other services related to website and Internet usage to the website operator. The IP address transferred from your browser as part of Google Analytics will not be combined with other data from Google.

The data processing purposes are the website-use analysis and the summary of reports on activities on the website. Based on the use of the website and the Internet, other related services will be provided.

**Legal basis:**

The processing of the data occurs on the basis of the user's consent (Art. 6 Para. 1 (a) GDPR).

**Recipients:**

The recipient of the data is Google as the processor. For this, we have entered into the corresponding data-processing contract with Google.

**Retention period:**

The deletion of the data occurs as soon as they are no longer necessary for our recording-keeping purposes.

**Third country transfers:**

Google processes your data in the United States of America and is subject to the EU-U.S. Privacy Shield: <https://www.privacyshield.gov/EU-US-Framework>.

**Mandatory or required provision:**

The provision of your personal data is voluntary, based solely on your consent. If you prevent access, this can lead to functional limitations on the website.

**Revocation of consent:**

You can prevent the storage of cookies by a corresponding setting in your browser software; however, please note that in this case you may not be able to use all the functions of this website in their entirety. Furthermore, you can prevent the collected data generated by the cookie and the data related to your use of the website (including your IP address) being transmitted to Google, as well as the processing of this data by Google, by downloading and installing the browser plug-in available at the following link: [browser add-on to deactivate Google Analytics](#).

In addition, or as an alternative to the browser add-on, you can prevent tracking by Google Analytics on our web pages [by clicking this link](#), which will install an opt-out cookie on your device. This will prevent data collection by Google Analytics for this website and for this browser in the future, as long as the cookie remains installed in your browser.

**Profiling:**

With the assistance of the tracking tool Google Analytics, the browsing behaviour of the website visitors can be evaluated and their respective interests can be analysed. For this analysis, we create a pseudonymous user profile.

**Using script libraries (Google Webfonts)**

**Type and purpose of the processing:**

In order to present our content correctly and graphically appealing across all browsers, we use 'Google Webfonts' from Google LLC (1600 Amphitheater Parkway, Mountain View, CA 94043, USA, hereinafter 'Google') to display fonts on this website.

You'll find the data protection guidelines of the library operator Google here: <https://www.google.com/policies/privacy/>

**Legal basis:**

Your consent is the legal basis for the integration of Google Webfonts and the associated data transfer to Google (Art. 6 Para. 1 (a) GDPR).

**Recipients:**

The use of script libraries or font libraries automatically triggers a connection to the operator of the library. It is theoretically possible – but currently also unclear whether and to what end – that the operator, in this case Google, will collect data.

**Retention period:**

We do not collect any personal data via the integration of Google Webfonts.

You'll find additional information on Google Webfonts at <https://developers.google.com/fonts/faq> and in Google's privacy policy: <https://www.google.com/policies/privacy/>.

**Third country transfers:**

**Mandatory or required provision:**

The provision of your personal data is neither legally nor contractually required. However, the correct presentation of standard-fonts content is not possible without this provision.

The programming language JavaScript is regularly used to display content. Thus, you can opt out of the data processing by disabling JavaScript execution in your browser or by installing a JavaScript blocker. Please note that this may result in functional limitations on the website.

**Using Google Maps****Type and purpose of the processing:**

We use Google Maps on this website. Google Maps is operated by Google LLC, 1600 Amphitheater Parkway, Mountain View, CA 94043, USA (hereinafter 'Google'). This allows us to show you interactive maps directly on the website, allowing you to conveniently use the map feature.

This occurs regardless of whether Google provides a user account that you are logged into or if there is no user account. When you're logged into Google, your data will be directly assigned to your account.

If you do not want this assignment in your Google profile, you must log out of Google before activating the button. Google stores your data as usage profiles and uses them for advertising, market research and/or tailor-made design of its website. Such an analysis occurs in particular (even for users who are not logged in) to provide needs-based advertising and to inform other users of the social network about your activities on our website. You have the right to object to the formation of these user profiles, but you must submit this objection to Google.

**Retention period:**

We do not collect any personal data via the integration of Google Maps.

**Third country transfers:**

When you visit a page with the YouTube plug-in, a connection to YouTube's servers will be created, which tells YouTube which pages you visit. When you are logged into your YouTube account, YouTube can associate your browsing behaviour with you personally. You can prevent this by logging out of your YouTube account beforehand.

If a YouTube video is started, the provider uses cookies that collect information about user behaviour.

You will find additional information on the purpose and scope of the data collection and its processing by YouTube in the provider's privacy policy, as well as additional information on your rights and setting options for protecting your privacy (<https://policies.google.com/privacy>).
